Part. No: BC-12-221   Rev.: 1.0   Date 31/07-2023

Bergen Cabling IP66 Wall Outlet Keystone

IP66 Wall Outlet for DNV approved Cat6a Keystone connector

The IP66 wall outlet for Bergen Cabling Cat6a Keystone connector is developed for installation in harsh environments indoors and outdoors that requires extra protection against dust and water.
The outlet has a unique construction that allows it to provide IP66 protection even when a patchcord is attached and the lid screwed tight.
The outlet is delivered with screws, 2 pcs of PG13.5 glands. Cat6a connectors have to be bought separately.There are cable entries on all four sides as well as on the back plate.

Standards

Certified according to standard ISO11801 2. ed / EN50173-1 and support application up to and including 10 Gigabit Ethernet (10GBase-T) (when used with BC-11-004/BC-11-006 Cat6a connector).

The product is approved for use in Bergen Cabling 10 Gigabit Link solution.
