

Splice Tray Kit

This kit includes a splice tray that offers protection for up to 24 splices, lid and splice holders (either heat shrink or crimp type). The tray ensures the minimum bend radius is protected and has multiple cable entry points.

Features

- Up to 12 heat shrink splices
- Up to 24 crimp style splices
- Cable tie points to secure fiber on entry and exit
- Mountable via central DIN style holes
- Includes tray, lid and splice holders

Applications

- Fiber Management
- Internal and external
- Wall Boxes
- Patch Panels
