Our Commitment

Sohome AS maintains the highest levels of business ethics, personal integrity and compliance across our business. The Sohome AS Code of Conduct is the cornerstone of this commitment and defines the company's expectations for employees, members of the Sohome AS board of directors, and all subsidiaries, affiliates and joint ventures over which the company has management control. The company may take disciplinary action against employees who fail to comply with the Code of Conduct, applicable laws, or company policies and procedures

Our People

Sohome AS is committed to maintaining a work environment that is culturally diverse and free from all forms of discrimination, harassment and retaliation. We comply with all applicable civil rights, human rights and employment laws wherever we work. Sohome AS is committed to fostering an open dialogue with its employees and, when available, with their representatives, on important decisions directly affecting them. Consequently, we recognize that employees are free to lawfully establish or join organizations of their own choosing and will not discriminate against, or treat unfavorably, any employee due to membership or non- membership in a trade union.

Our Customers

As a customer-driven company, Sohome AS is committed to maintaining our customers' trust and respect by delivering high quality, secure and reliable products, services, software and solutions. We uphold the highest standards of ethics with regard to aura customers, avoiding all corrupt, illegal, dishonest or deceptive business practices. We accurately and fairly describe our products and services. We do not misrepresent aura products, services or capabilities, even if it means losing a sale.

Our Business Partners

We select our business partners, including our suppliers and contractors, based on merit, reputation and ability to help Sohome AS meet its business objectives, considering, among other things: price; quality; delivery capability; reputation for service; integrity; and social responsibility. We require our suppliers to abide by ethical standards and business practices.
